<b>Area</b>	500m <sup>2</sup>
<b>Client</b>	Wolseley Private Equity
<b>Architect</b>	PAD Architects
<b>Builder</b>	Inscope Solutions Pty Ltd
<b>Status</b>	Completed 2008

### About

Wolseley Private Equity's lease was due to expire at the current premises in three months and the fitout had to be designed, authorities approvals obtained and constructed all within this short time frame.

The works were undertaken on a Design and Construct in order to fast track the project and through close interaction between the client, architect and contractor the works were successfully completed on time and within budget
